In the event of a discrepancy between a maximum reimbursable cost published by FACTOR and the same cost published by the Treasury Board Guidelines, the lesser cost shall be applied. This fee is intended to cover overhead expenses such as occupancy costs and core staff salaries. If items intended to be covered by the Administration Fee are charged elsewhere in the budget, they must be actual, verifiable out-of-pocket costs that are directly attributable to the project. For example: staff salaries may be claimed if they represent labour that is directly related to the activities of the initiative being proposed, and are actual, verifiable, and charged at market value.

Funding and Payments

30. Applicants to every FACTOR program must declare any other public funding received or expected to be received toward the same project costs they are claiming to FACTOR. FACTOR's contribution plus any other public funding cannot exceed 100% of the project's total eligible budget. See [Glossary: Public Funding](#).
31. FACTOR funding is paid out in two stages: (1) an advance equal to 50% of the amount of approved funding is paid out once the application is approved and the funding agreements (a General Agreement and an Annex) have been executed by FACTOR and the Applicant; and (2) the remainder of the funding is paid out when the Completion has been received, reviewed, and accepted by FACTOR. FACTOR will remove any ineligible expenses from the final Completion budget. This may lead to a reduction in the final payment, and in some cases, it may result in the Applicant having to return a portion of the advance.

Project Completion

Applicants must complete and submit the Completion for the project, include all their invoices, receipts, and proofs of payment for expenses on the Cost Report, a detailed breakdown of all revenues must be included. In most cases, the recipient will be required to draw their reporting data from a survey of participating artists/companies. Statistics on event attendance, number of delegates, number of artists participating, and broadcast views shall be collected and reported by the Recipient, when applicable, and as appropriate to the nature of the project.
34. Failure to meet these deadlines may result in a penalty up to and including loss of all funding as well as not being permitted to submit new applications to any programs/projects with FACTOR until the completion is resolved.
