

Songwriter Development Program Guidelines 2026-2027

Program Intent

The Songwriter Development program is designed to support professional songwriters writing for and with other artists in their continuing career development. Songwriters who are primarily recording and performing artists should review the Artist Development and Juried Sound Recording programs to support their activities.

Program Overview

1. The Songwriter Development program offers a \$2,000 subsidy toward a year of songwriting initiatives, such as domestic and international travel for co-writing sessions and trips, songwriting camps and workshops, and eligible showcases. FACTOR will reimburse 75% of eligible costs up to \$2,000.
2. Review of applications will take six to eight weeks from the date of application.
3. Funding for this program is provided by Canada's Private Radio Broadcasters.

Application Deadlines

4. Rolling deadline. Applications must be submitted to FACTOR at least one calendar day before travel departure. Intended travel should take place no more than six months from the date of application.

Who Can Apply

- **Professional Songwriters – see qualifying criteria for this rating under How to Apply.**
5. Other parties such as record labels, artist managers, producers, and music publishers may fill out the application on behalf of a songwriter; however, the songwriter must be the named Applicant and they must incur the costs directly. The costs may not be incurred by the label, manager, producer or publisher and then charged back to the songwriter.
 6. Applicants under 18 years of age must submit a signed [Parent or Legal Guardian Consent Form](#).
 7. A songwriter may receive Songwriter Development funding once per FACTOR fiscal year, to a maximum of two Songwriter Development project supports in the lifetime of the program.
 8. Francophone songwriters who are writing primarily in French and developing their careers in a French-language market (e.g. Francophone Quebec, France) are expected to apply to [Musicaction](#).

How This Program Works

13. The eligibility of costs begins on the day you submit the application and ends one year after approval of the offer of funding. No extensions will be available to extend the Songwriter Development year or Completion deadline.
14. Eligible activities and costs in this program can include:
 - a) In person co-writing trips or songwriting sessions with artists or other songwriters, to create work for a music publisher or synchronization placement.
 - b) Songwriting camps and workshops where the resulting songs are written for synchronization opportunities (for outside artists, for a music publisher, or the projects of the other writers participating in the writing sessions).
 - c) Attendance at showcases (if participation is not eligible to be funded under FACTOR's [Live Performance program](#)).
15. As part of your application, you must submit:
 - a) A current biography
 - b) Plans for your songwriter development year. This plan should set out all intended activities and be as detailed as possible, outlining where, when, why, and how you intend to execute your plan successfully. Please differentiate between activities and events that are confirmed, and those that might happen.
 - c) A detailed budget. FACTOR will remove ineligible costs from the budget and the FACTOR contribution may be reduced accordingly. If you have any questions about the eligibility of a particular cost, please contact FACTOR in advance.
16. This program provides a contribution of 75% of your eligible costs up to \$2,000. To receive the full \$2,000 investment, you must complete the activities set out in your songwriter development plan and be able to demonstrate you incurred at least \$2,667 worth of eligible costs. All costs must be paid to other unrelated businesses. This means you cannot claim payments to yourself or to [related parties](#).
17. Once the application is approved, all significant changes should be approved by FACTOR to ensure the ongoing eligibility of the project and costs.
18. If your application is successful, you will enter into a General Agreement which sets out the terms of the funding. You must also provide your banking information to receive your funds via [direct deposit](#).
19. You will be required to submit a Completion 12 months after approval. In the Completion, you will provide final details from the year on:

 - b) Details on travel undertaken to participate in songwriting sessions; and
 - c) Business development opportunities garnered from the sessions.
20. **Recipient Accessibility Support Fund:** FACTOR funding recipients are eligible for top-up support to their project funding for costs related to accessibility. FACTOR will allow applications in this fund for up to \$5,000 each fiscal year, not to exceed \$5,000 per project. Eligible costs claimed under this fund will be reimbursed at 100%. This fund is open to artists and staff of music companies associated with the project Artist or Applicant. Support for this fund is provided exclusively by Canada's Private Radio Broadcasters.
